## GENERAL RULES

### Security

Anyone on court may be asked to prove their membership, if not recognised. Only genuine members or their visitors may stay on the courts.

### Visitors Fees

If you bring a visitor they must pay a £3 fee which should be handed (or posted) to a Committee member at the earliest opportunity. The maximum number of guest visits per member is four per year.

### Clothing

Unlike most clubs we do not have a strict all white rule. However, we do insist that clothing and footwear suitable for exercising is worn ( i.e. not boots/shoes/roller blades etc!!) and non-marking tennis shoes are used. Also, make sure that shoes are clean - NO MUD. There are mats provided for you to wipe your shoes.

Correct tennis attire consists of predominantly white clothing, T-shirts, shorts, skirts, etc. If you represent the Club in matches you will be expected to be dressed appropriately.

### Food and Drink

No food or alcoholic drink is allowed in the court area.

### Other General Rules

Do not ride bikes in the court area. Do not bring bikes onto the court.

Please do not climb over the nets. They cost a lot to replace.

Put any rubbish in the bin provided at the entrance to the courts.

Be polite and courteous at all times. The neighbours in the flats are good friends and we don't want to upset them.

If there is a cricket match in progress keep to the path and fence.

Players coming on to court should lock the gates whilst they are on court this will ensure that only members can gain access to the courts.

Players coming off the courts **last**, should wind the net down slightly (two turns of the handle is enough) and ensure that all gates are locked.

### Juniors

**Juniors/Students 14 to 18.** Parents must also sign the membership form as well as the Student/Junior member. The date of birth must be on the returned membership form. No court keys will be issued to juniors under 16 except by arrangement with the Committee.
